

ATTACHMENT C, ANNEX 25 EARTHQUAKE PREPAREDNESS

I. INTRODUCTION

This plan establishes specific policies and procedures to be followed by the state and counties when responding to an earthquake in South Carolina. This separately published plan augments the South Carolina Emergency Operations Plan (SCEOP) and is Appendix 3 to the SCEOP.

II. MISSION

To provide operational concepts unique to earthquake response and assign responsibilities to state agencies to meet the needs of local governments following a large earthquake.

III. CONCEPT OF OPERATIONS

See the South Carolina Earthquake Plan (Appendix 3 to the SCEOP) for complete information.

IV. RESPONSIBILITIES

See the South Carolina Earthquake Plan (Appendix 3 to the SCEOP) for complete information.

V. FEDERAL INTERFACE

See the South Carolina Earthquake Plan (Appendix 3 to the SCEOP) for complete information.
